

TESTIMONIALS

"Jeff's creative help with our Good Friday service helped us bring the horror and glory of the cross to life for our congregation. His partnership allowed us to see our need for a Savior in a very personal way. He engaged disciples and skeptics alike with a combination of humor and the hard hitting reality of human brokenness coming face to face with the grace of God."

"Our first choice for family entertainment is Juggling Jeff. We have used Jeff for a number of years for our annual Children's Festival and for other family entertainment throughout the school year. Each time Juggling Jeff has managed to capture the interest and attention of our guests both young and old. He gets them smiling, laughing and participating. He is a skillful juggler who connects with his audience. Jeff slides nicely from being a children's performer to one that does a great job with adults as well. In short, Juggling Jeff is a great entertainer, who is a real pro. And he is easy to work with, too!"
